Desert Sun Civitan Club is Almost Official!!

We have set September 30 as our official charter date. The Charter Ceremony will be scheduled as soon as we determine the date, time and place. Input is being requested from all members for suggestions and possible assistance in setting up the ceremony is also being requested. Any possibilities will be researched.

Our **first solo project as a club will be** scheduled upon completion of formation of our projects committee

We are now looking forward to our **first meeting as an official Civitan club in October**. *Knowledge* is one of the three key tenets of the Civitan membership experience. Thus a variety of interesting and provocative speakers becomes almost mandatory for a successful club. So we're also forming a programs/publicity committee to ensure we have interesting speakers at each meeting.

The program for our September 17th meeting is a discussion of club leadership positions, their responsibilities and the formation of required committees. Election of officers will take place at our September 24th meeting.

Effective on October 1, our meetings will be only twice per month, on the first and third Thursdays of the month. Until further notice, the meetings will all be at noon. Possibility of changing one of those meetings to an evening meeting will be discussed by the entire membership.
