Charter Ceremony Information coming!!

Just a few more days until that special day when the Desert Sun Civitan Club has enough members to charter! Some Civitan dignitaries and representatives from district Civitan clubs will attend the charter ceremony. However since the members of the Desert Sun Civitan Club are the real guests of honor, **we hope all of you will plan to be at this special occasion.** Two highlights will be the initiation of charter members and installation of charter officers. Plan to arrive a little early to register and socialize. Spouses and guests are welcome to attend. Please plan to attend. (Cost per person cash or check will be determined when the location is arranged, payable prior to the charter ceremony.) Plan on two hours for this special occasion.

We had another great meeting Thursday with lots of good discussion and fellowship. Congratulations...we have almost reached our chartering goal and are working hard on having enough new members to qualify as a Golden Circle Club if we have at least 30 **charter members!** Three members joined at our last organizational meeting. Please join me in welcoming our newest members **Wayne Gale, Jonathan Loeffler, Edwardo Castro, Mike Van Guilder, Paul Guterrez, Alejandra San Elias, Juan Evangelista and Juan Cazares.**

To our Prospective Members:

There is still time to be a charter member of the Desert Sun Civitan Club and be initiated at the Charter Ceremony. To join you may contact Ken or Mary Ellis at 918-914-1203 or 918-914-2403 or any of the current members. There is still time to join prior to chartering to become a Charter Member.

- Civitan Clubs meet the needs of their communities.

What Is Civitan?

Civitan is a worldwide, all volunteer service organization where men and women have an organized way of approaching local community problems through service and fundraising.

We emphasize serving people with developmental disabilities. Local clubs are supported by Civitan International, which was organized in 1917 and spans over 44 countries. The word CIVITAN is a coined word that comes from the Latin word "CIVITAS", which means **CITIZENSHIP**.
