

PHIL SCHLESINGER NEWSLETTER

MARCH 2017

Message from President Elsa: Happy St. Patrick's Day. Enjoy your month.

Birthdays this month: Athena (4th); Ruth (28th); Paul (10th)

Good morning all. As you can see I have my computer back. My apologies about last month, but it was impossible.

I went to the Governors' update meeting in Birmingham and I will tell you all about it at our next meeting. I am very excited about our Centennial goals.

Our Walk a Thon on 11th will meet at Parks and Rec at 8:30am. I do not know how many of you are planning to walk, but please feel free to invite friends and family to join us. We need to have a lease 20 people to walk to complete our 100miles.

If you have been saving rice and beans for our food bank drive, please bring it to the same meeting (11th). We need about 50lbs to complete our goal. I will bring the weigh in scale at that meeting. I know we will not meet our goal yet, but keep working toward the end result.

I know none of us volunteered to do the Polar Plunge but according to Holly (Special Olympics) there were over 60 people who did so. Pictures are on the Special Olympic website if you are interested in seeing what was involved.

You may not get this in time but I want to let you know that 8 of us are going to the Lura Turner high tea on the 4th. It is their big fund raiser for the year and the Phoenix Birds are also very involved in this, so I think it will be counted as a joint club event.

Talking about joint club things, March has 5 Wednesdays, so we will be joining Roadrunners for Fuddruckers again on the 29th. Flyers will be distributed later on this month. You can go there any time during the day or evening on 29th.

We are NOT collecting plastic bottles at the moment because financially it is not worth it. We are still collecting cans and pennies.

See you soon.
