"Our own successes, to be real, must contribute to the success of others" Eleanor Roosevelt

District Board and Presidents,
 We are 7 weeks into the First quarter of 2008-2009 Civitan fiscal year. In October, the Heart of the West District had 3 members join our Civitan family. I hope they will find what a great organization Civitan is and how this organization enhances your life. I have attached the updated copy of Policy and Procedure #0900 for Awards Program approved by the HOTW Board on Nov 3, meeting. The full Policy and Procedures of the HOTW are now posted on the HOTW Web site.

I encouraged you to once a month to look at your Honor Club application and begin fill in projects, speakers Fellowship activities. Buy June your application will be filled in and ready for submission to Mary Harvey. As Thanksgiving is fast approaching I'm thinking about what I'm grateful for in my life. I'm grateful for my for my membership in Civitan. It has blessed my life and so many ways new friends, service to others and leadership opportunities. I'm grateful for my supportive husband, 5 children and spouses and 11 grand children. I wish you and yours a very thankful Thanksgiving. Take Care
 Teresa

Meeting the Challenge by sharing Civitan

This month International President Danny Jackson challenges us to

Brag to five people, not a part of Civitan about something you and your Civitan club did this past year.
